

Our Values

At GTCS we have a shared set of values that speak for who we are, how we work and how we want to be seen as a national educational organisation

Our values are:
Fairness
Integrity
Trust and Respect
Professionalism
Sustainability

GTCS Council members and staff respect these values in their day-to-day work and in their interaction with one another and stakeholders.

We always endeavour to:

- Have fairness at the heart of everything we do
- Act with integrity in all of our work
- Have trust and respect for each other and our stakeholders
- Act professionally at all times
 - Encourage sustainable practices in our work

Our values were chosen by GTCS Council members and staff. We agreed that incorporating these values in our day-to-day work would contribute to making GTCS a modern and effective organisation that is a positive influence on education in Scotland
