Yes

No

Have you completed academic study of your teaching qualification subject area up to 60 SCQF credit points (including 20 at SCQF level 8 or above)?

Yes

No

It is unlikely that you are eligible for registration at present. However, please contact us for advice.

Named School Only Registration

This registration category will allow you to retain employment in your post. However, you may not move to another school in the role of teacher without acquiring a degree/a teaching qualification (e.g. UHI TQ (Practitioner Route) PGDip)

Provisional Registration in TQ Sector/Subject

You will be required to complete additional teaching service in order to meet the teaching service requirement for Full Registration in your teaching qualification age range/subject area.

Full Registration in TQ Sector/Subject (Primary or Secondary)

Full Registration may apply if you have been teaching in your TQ subject/sector in an ASN setting for a sufficient length of time.

EASTER 2019 ONWARDS - Full Registration in BGE (Broad General Education)

Option to attain Full registration in the new BGE registration category (covering teaching a specialist subject area in the 5 – 14 years age range).

NB for full registration in BGE, 80 SCQF credit points in the subject will be required, as well as 190 days' full-time teaching service covering teaching

Provisional (Conditional) Registration in Secondary Education

You will have three years in which to complete additional academic study of your teaching qualification subject area in order to attain Full Registration.
If you haven't taught this area for at least 190 days you may also have a probationary period to complete.
