<p>Election Statement</p>				
<p>I am a Lecturer in Education. I seek election as an EIS-supported candidate to address the underrepresentation of BME teachers within GTCS Council and the wider profession. I lead a national BME Teachers Network and am committed to supporting the recruitment, retention and professional learning and development of a diverse teacher workforce.</p> <p>Keen to promote a more nuanced approach in relation to engagement with the professional standards of Social Justice and Equality, if elected, I would contribute to the development of a more race cognisant approach, supporting teachers to understand and conceptualise discourses of Race, Diversity and Inclusion.</p>
